

REVE Antivirus Offline Activation

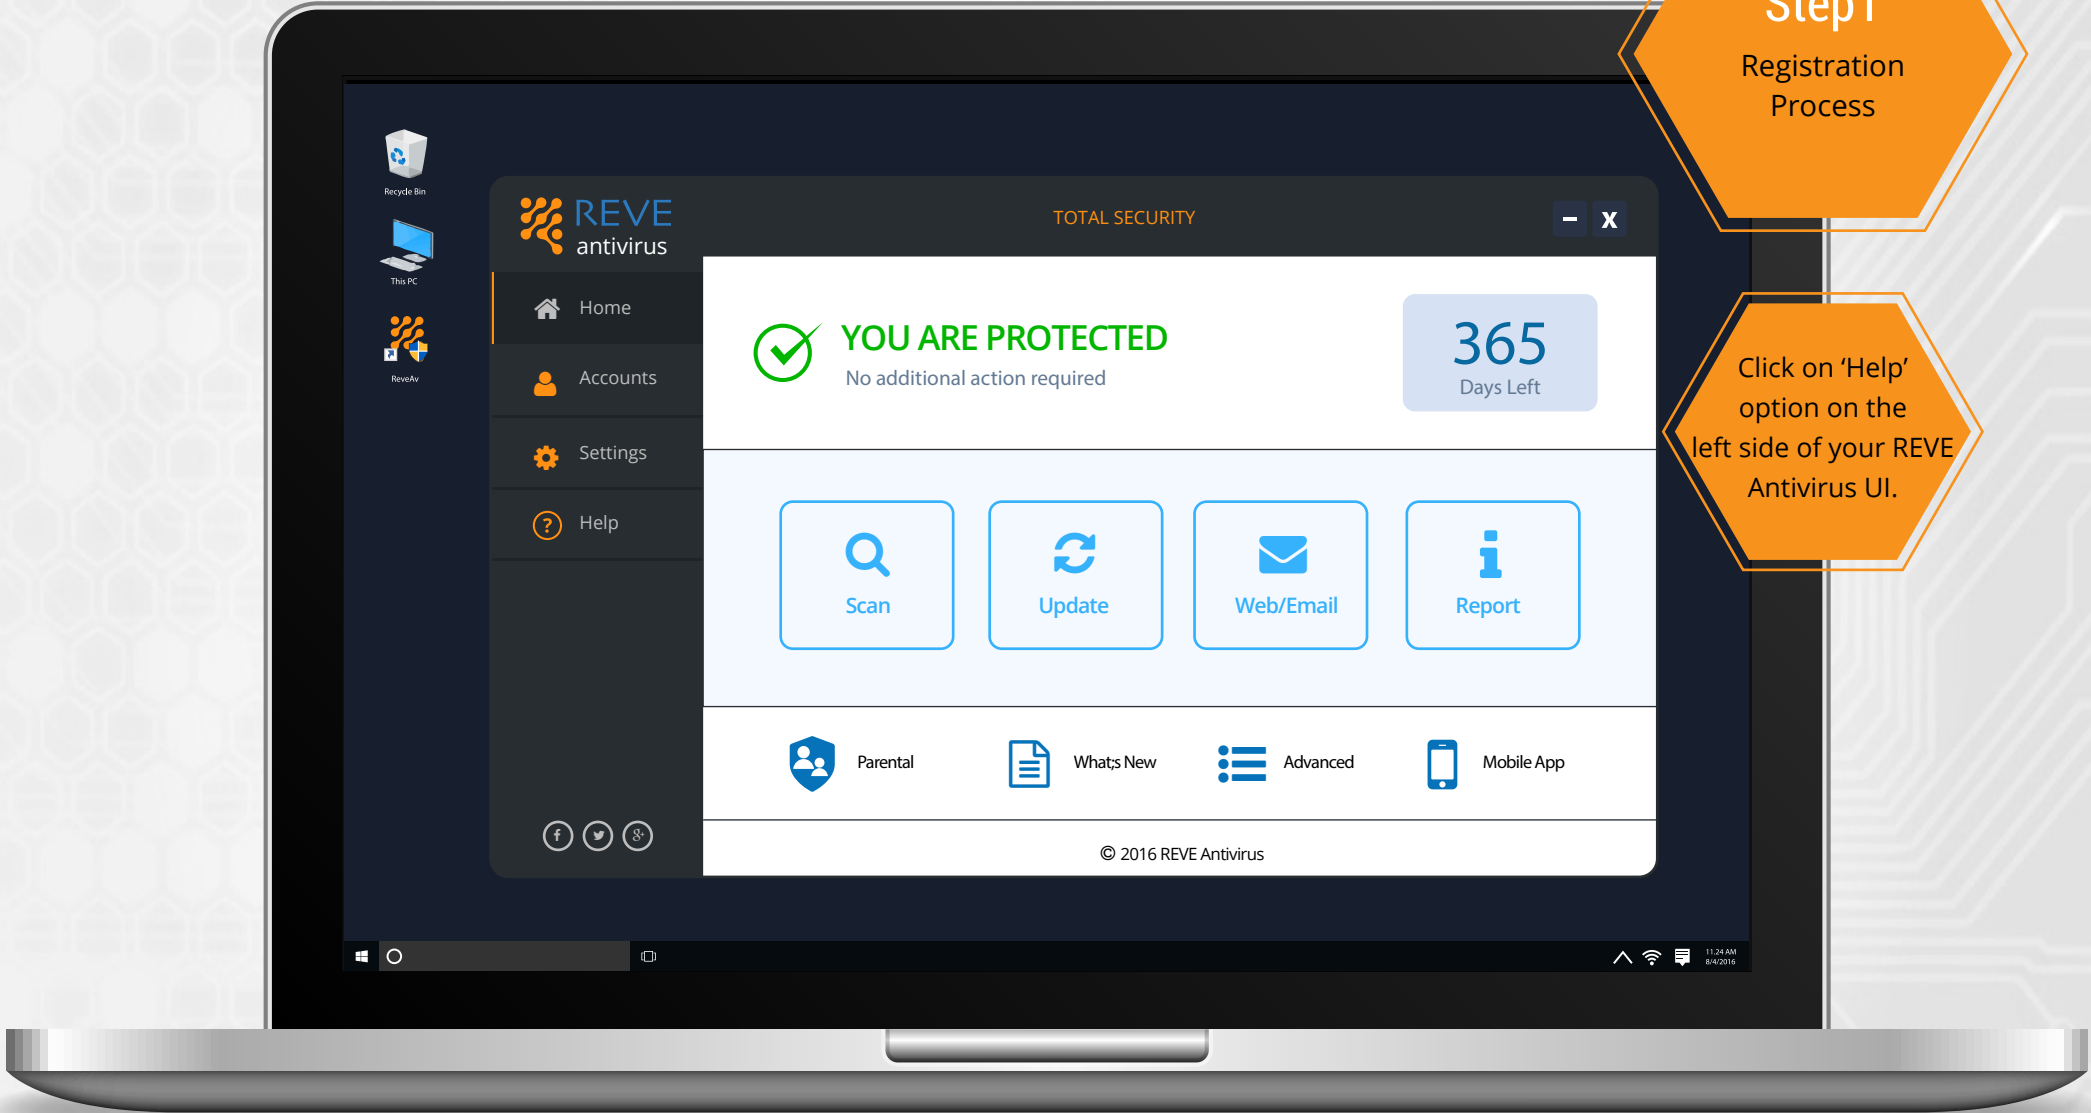

Users Guideline

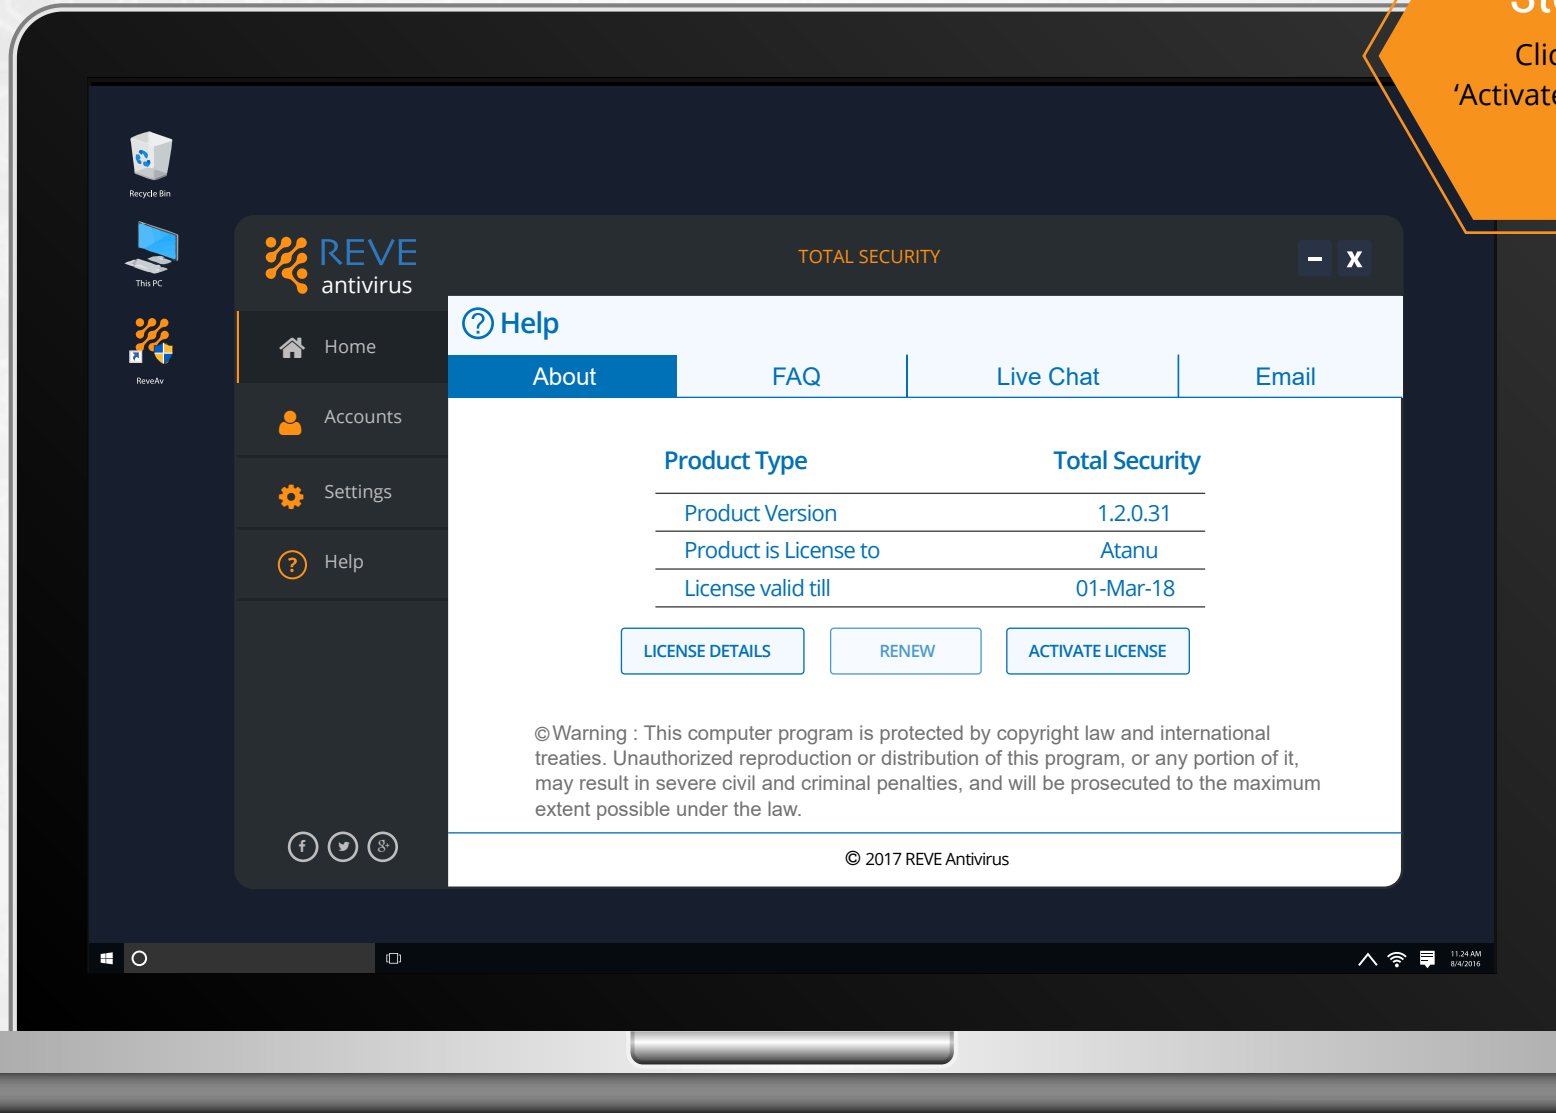

www.reveantivirus.com

Step 1
Registration Process

Click on 'Help' option on the left side of your REVE Antivirus UI.

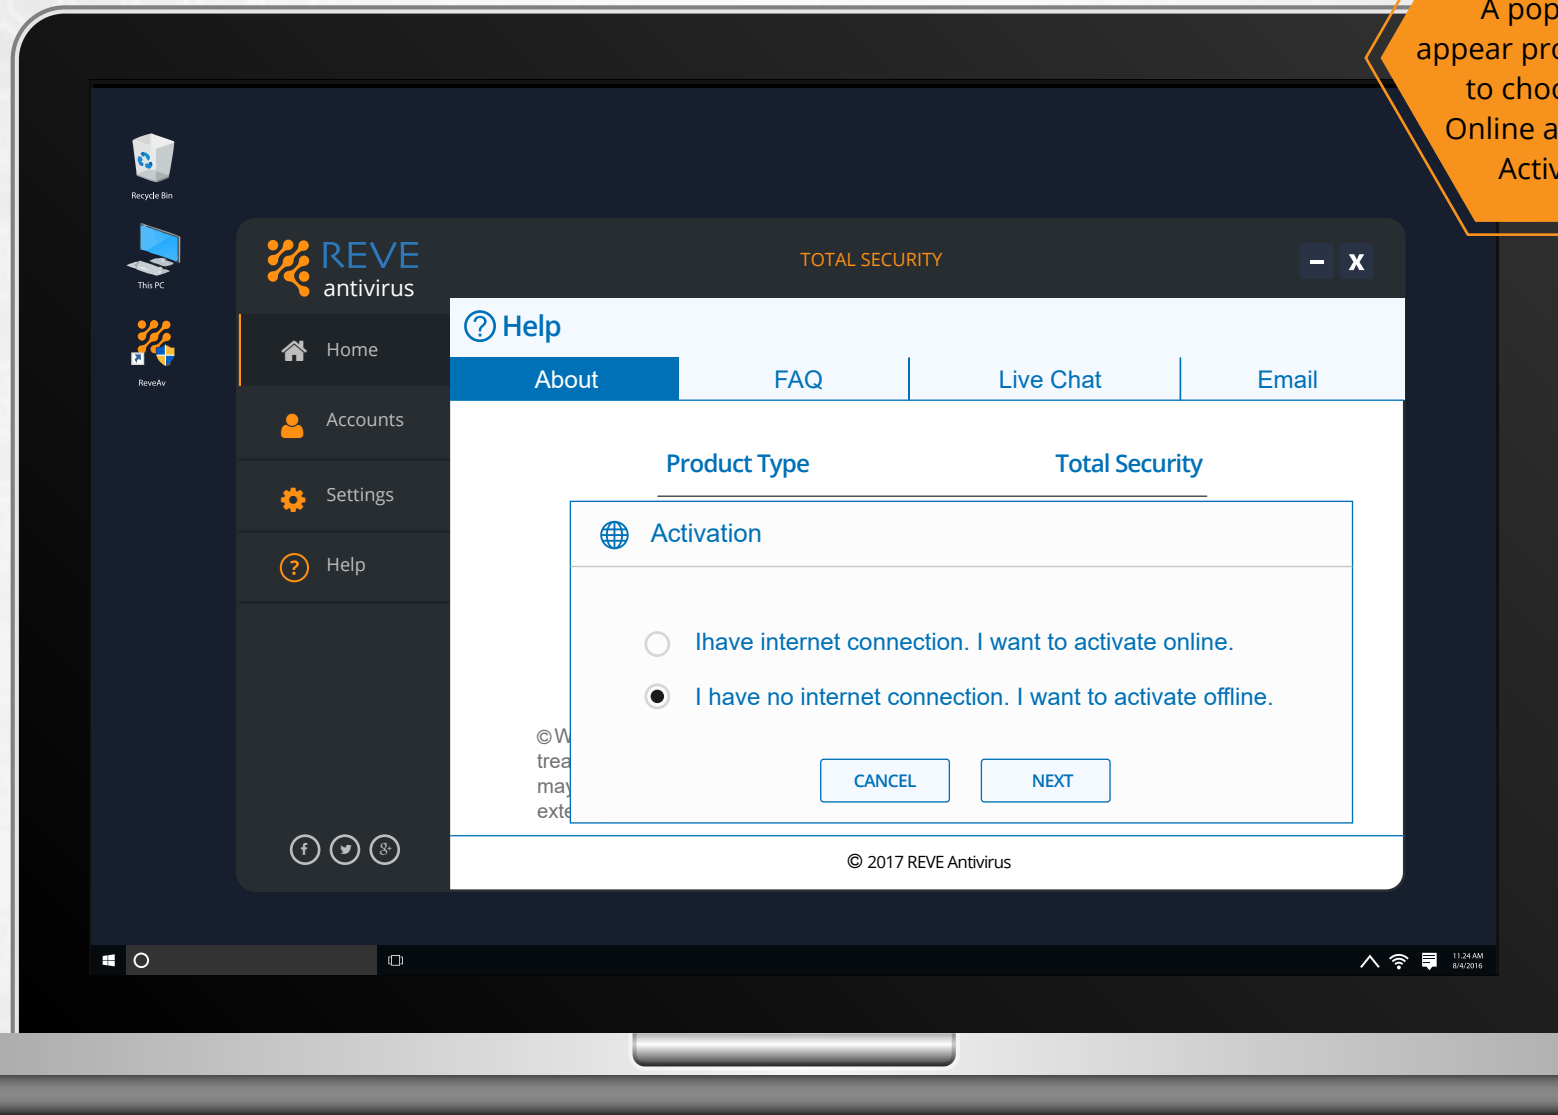

Step2
Click on
'Activate License'

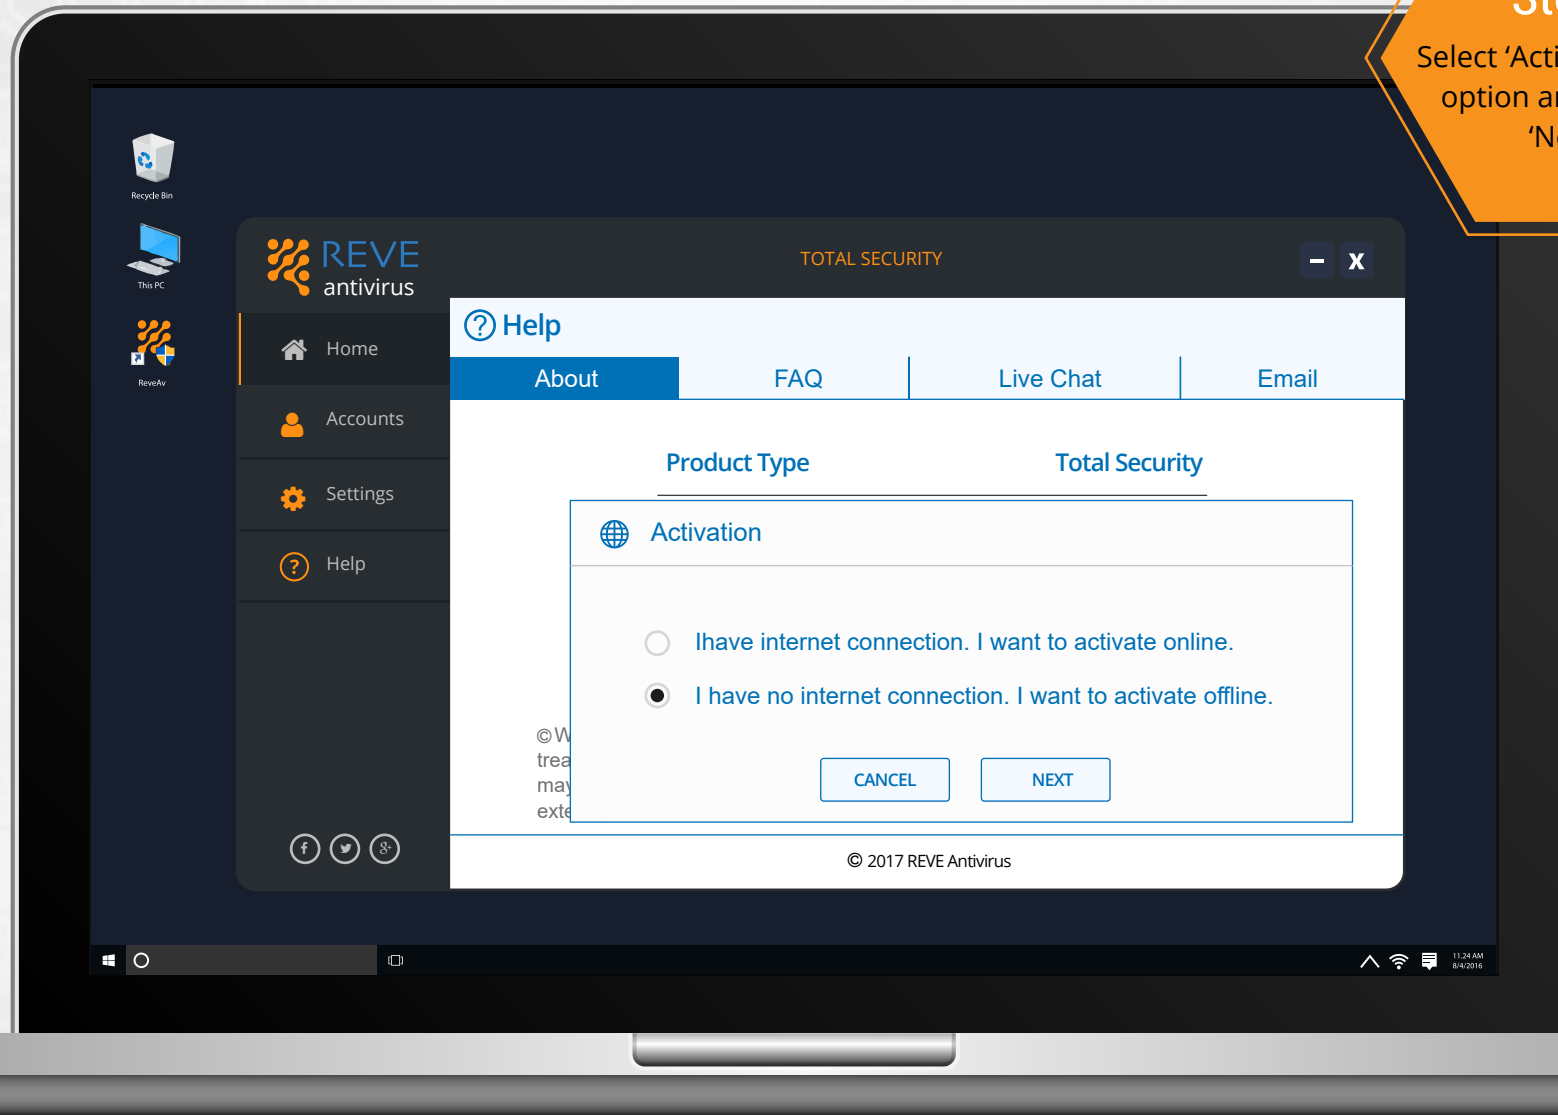

Step3

A pop-up will appear prompting you to choose from Online and Offline Activation.

Step4

Select 'Activate Offline' option and click on 'Next'.

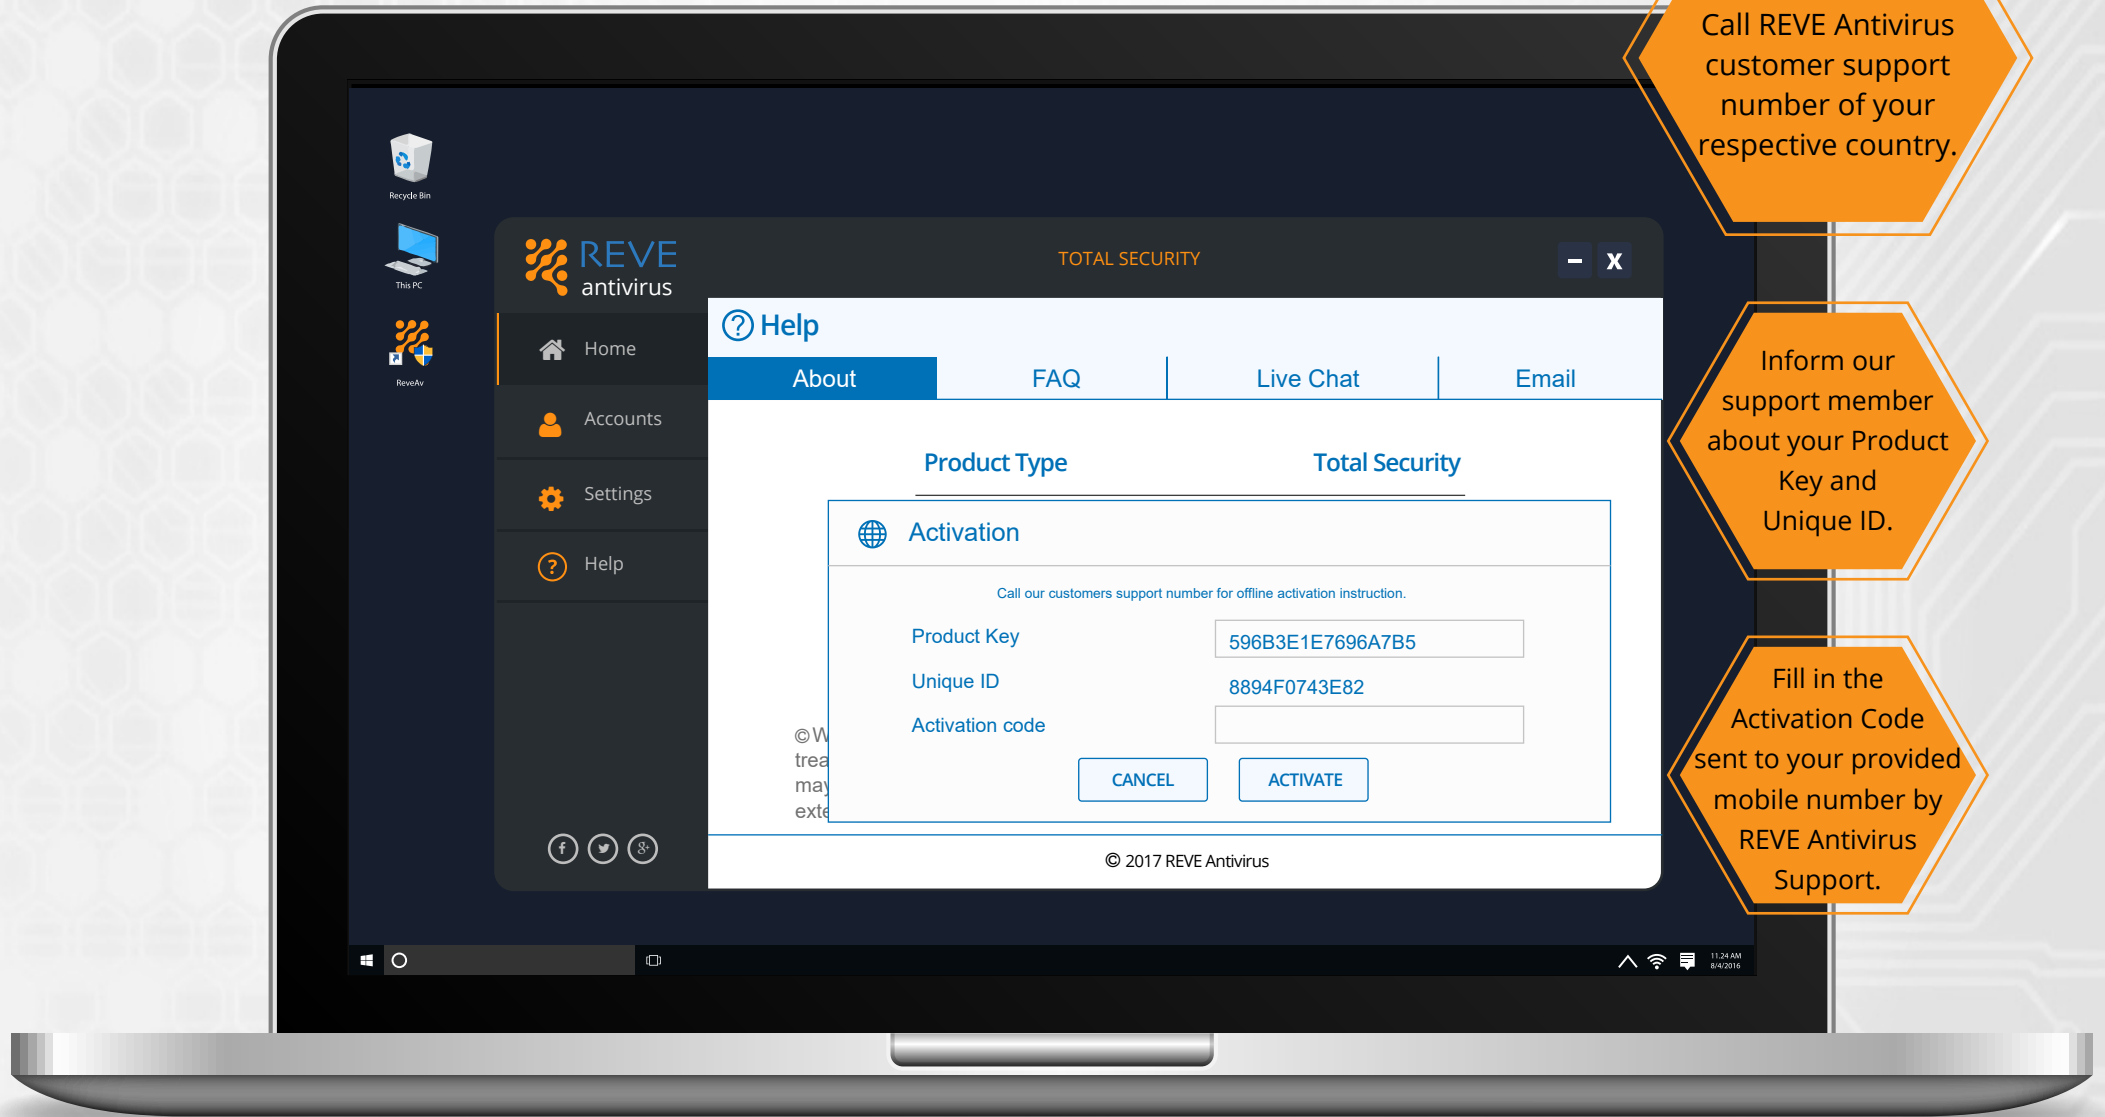

Step 5

Call REVE Antivirus customer support number of your respective country.

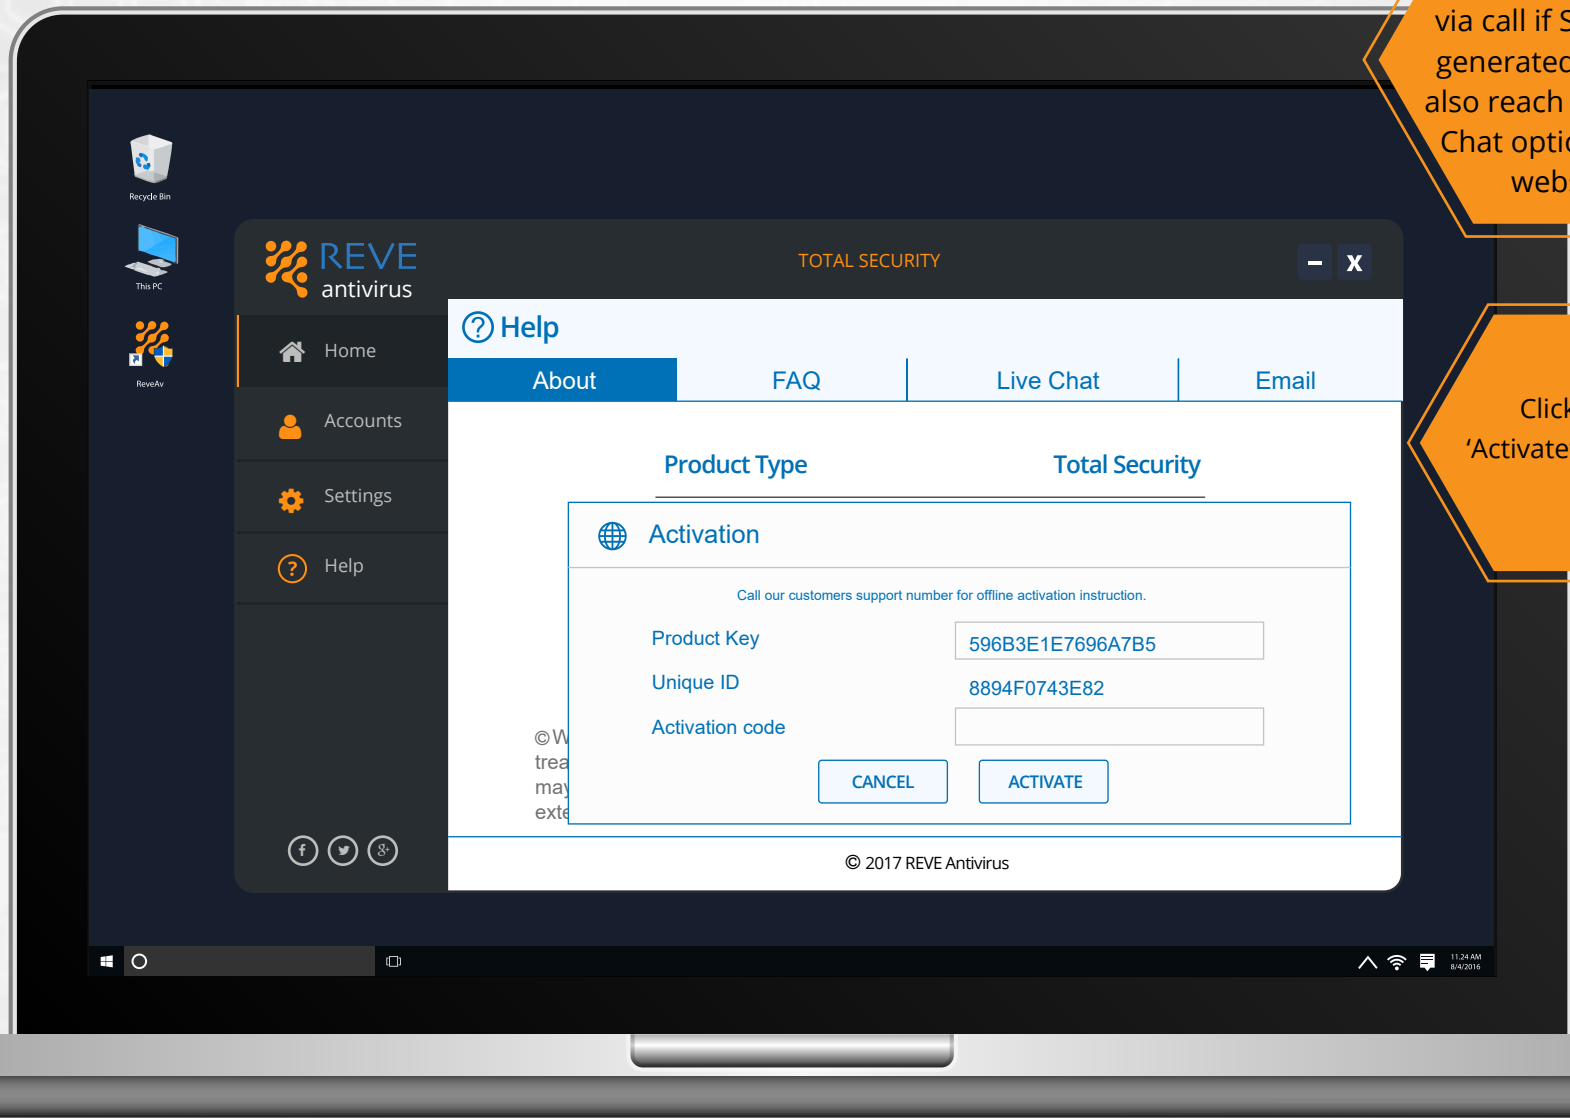

Inform our support member about your Product Key and Unique ID.

Fill in the Activation Code sent to your provided mobile number by REVE Antivirus Support.

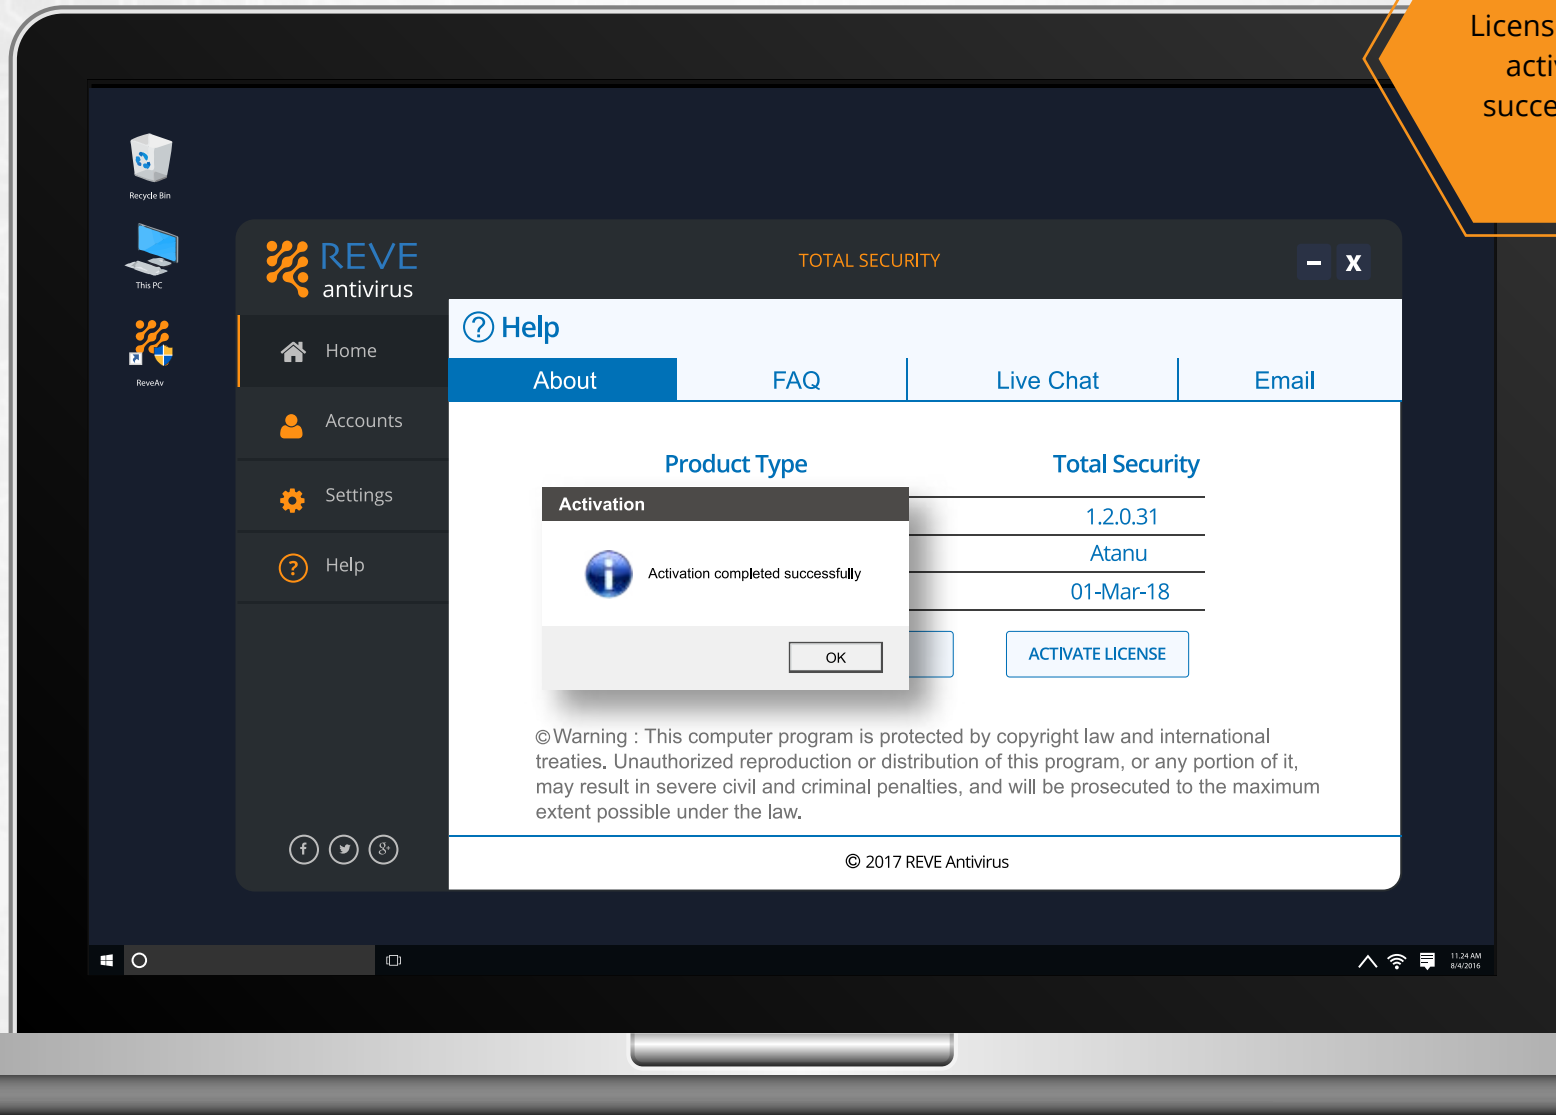

Activation code will be provided via call if SMS is not generated. You can also reach us via Live Chat option on the website.

Click on 'Activate' option.

Antivirus License will be activated successfully!
